## **QUALITY POLICY STATEMENT TO BS EN ISO 9001-2015**

It is the policy of Industrial Batteries (UK) Limited that operations provide services and products that fully and consistently meet the agreed requirement of our customers and that the services comply with defined standards of content and are fit for purpose to achieve complete customer satisfaction.

To demonstrate to both customers and staff the company commitment to quality, it is the policy of Industrial Batteries (UK) limited to achieve and maintain registration as a company of assessed quality capability under the requirements of BS ISO EN 9001-2008

The Managing Director accepts responsibility for this and to fulfil these Quality standard objectives will provide financial and physical resource as required..

The requirements of the Quality Assurance system will be binding for all of the company employees and sub-contracted services and no unauthorised alterations or deviations shall be allowed. All employees, whatever their capacity, will perform their work to the highest standards at all times.

We will continually review the suitability of the IBLUK organisation and systems, procedures in accordance with our customer / client demands and expectations. We will strive to keep our Quality standard objectives in mind and to seek continuous improvement to our organisation performance.

J.P.Hall  
Managing Director
